Re: Underground Storage Tank (UST) Inspection of, Soldotna Y Chevron, 44024  
Sterling Hwy, Soldotna, AK 99611 (EPA ID No. AK518)

Dear Mr. Rozak:

This letter is a follow-up to my UST inspection from August 11, 2008, Enclosed are a few UST reference handouts that I was not able to supply during my visit.

One reminder please send a copy of your line tightness and automatic line leak detector test results. The deadline to submit the test results was September 11, 2008. If not received by October 3, 2008, an enforcement action may be issued.

If you have any questions, please contact me by telephone at (360) 753-8072 or email [greeves.jim@epa.gov](mailto:greeves.jim@epa.gov).

Sincerely,

Jim Greeves  
UST Inspector
